LYMPHATIC DRAINAGE MASSAGE THERAPY

This gentle massage treatment consists of gliding, compressing, stretching, and the use of traditional wooden tools over the body to gently assist the lymphatic system. Please note this is a gentle, calming technique that differs from body sculpting or weight loss massages. This treatment helps to boost the immune system, increase energy levels, improve skin texture, reduce fluid retention and inflammation, and detox to help you get back in balance and be your best self.

Preparing for your appointment: We recommend that you hydrate both before and after your lymphatic treatment. Also please eat a small meal ahead of time. Please no botox, laser or wax treatment within 24 hours prior to or after your session. If you are postpartum, we recommend waiting 3 weeks after a natural birth. If you have had a C-section, please wait 5 weeks and be cleared by your physician. (Please book a 90-minute appointment if you want a full body or 60 minutes for a more targeted approach)

60/90 MINUTES	\$160 / \$210
MEMBER PRICE (60/90)	\$145 / \$190
